Dear Club Members:

It is officer nomination time again. I am enclosing a form to make this task a little easier. Also enclosed is the present club Financial Statement as of October 18. We also have two new members nominated. The first one is Tom Taormina, WA5LES. He has been nominated, filled out the membership application, and the required 30 day waiting period has elapsed. You will find his membership ballot enclosed. The second nomination is Billy Bradford, K5LWL/YV6. Billy's nomination is currently in the 30 day waiting period.

Bob McWhorter has purchased a large number of commercial VHF transceivers. This equipment is a natural for conversion to two meters. See the enclosed sheet for details.

We may have an informal club gathering this fall. The date has not been announced but it will probably be on a Saturday night. We may meet at the restaurant on Interstate 10 halfway between Pt. Arthur and Houston as we did once in the past. If you have any ideas as to date and location for this get-together, let me know in the return mail. Any later information will probably be sent by postcard to all members. That's it for now. Get those envelopes back to me. I would like for the return mail to be postmarked on or before 6:00 p.m. on October 27.
